Dear Mr. Bezos,

On behalf of the County of Rockland, the Town of Haverstraw, the Town of Orangetown, the Town of Ramapo and the Village of Suffern we are reaching out to ask that you and your board consider other locations within the State of New York to establish your HQ2. Please do not let the unwelcoming and shortsighted actions of a few in Long Island City tarnish the possibilities that exist elsewhere.

We are confident that we can offer all that is needed by Amazon; including airports in adjoining counties, a business-friendly environment and a multitude of transportation and infrastructure options. We previously applied as part of your HQ2 selection process and feel we offer a "Prime" location near New York City but with room for development.

We will be happy to arrange an executive level meeting to review any and all concerns you may have and share with you the potential that exists here in Rockland; we are open for business.

Thank you for your timely consideration of this matter. We look forward to working with you.

Sincerely,

Edwin J. Day
